4th Substantive Review – 05 November 2025

Preliminary issue regarding sitting in private

The Committee considered the issue of whether to sit in private. The Legal Adviser referred to Rule 25(3) of the General Optical Council (Fitness to Practise) Rules Order of Council 2013 (the 2013 Rules). Mr Lodge, on behalf of the Council, invited the Committee to hear the entire review hearing in private.

Proof of service

The Committee was satisfied that service of the notice had been sent in accordance with the requirements.

Proceeding in the absence of the Registrant

The Committee determined that it would be in the public interest and in the interest of justice for the hearing to proceed in the Registrant's absence.

Findings regarding impairment

The Committee found that the fitness of the Registrant to practise as an optometrist remains currently impaired.

Sanction

The Committee determined to impose indefinite suspension of the Registrant's registration.

Chair of the Committee: Julia Wortley

PSA may refer this case to the High Court of Justice in England and Wales, the Court of Session in Scotland or the High Court of Justice in Northern Ireland as appropriate if they decide that a decision has been insufficient to protect the public and/or should not have been made, and if they consider that referral is desirable for the protection of the public. Where a registrant cannot appeal against the outcome of a hearing, the Authority's appeal period is 56 days beginning with the day in which notification of the decision was served on you. PSA will notify you promptly of a decision to refer. A letter will be sent by recorded delivery to your registered address (unless PSA has been notified by the GOC of a change of address). Effect of orders for suspension or erasure
